## JUSTIFICATION AND APPROVAL

### FOR

### OTHER THAN FULL AND OPEN COMPETITION

### OTHERWISE AUTHORIZED OR REQUIRED BY STATUE

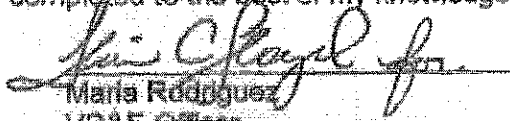

Upon the basis of the following Justification and Approval, the proposed contract described below may be established through other than full and open competition pursuant to the authority of 41 U.S.C. 253(c) (5) as implemented by FAR 6.302-5 - Authorized or required by statue. This sole source procurement action is authorized under the provisions of P.L. 112-56, Rehabilitation Act of 1973, as Amended, 38 United States Code (U.S.C.) 4211(1), 38U.S.C. 4212.

1. The Saint Petersburg Florida Regional Office, Vocational Rehabilitation and Employment Division (VR&E), is responsible for the contract action as described herein.
2. This procurement is for a new VR&E Special Employer Incentive (SEI) contract. The SEI program is a private-sector initiative that connects job-seeking Veterans with employers for training while on the job. The VA agrees to reimburse Anthony Wayne Rehabilitation Center up to 50 percent of the wages paid to the VR&E Veteran working for Anthony Wayne Rehabilitation Center during this specified time period for instructions, instructional aids, training materials and supplies provided to the Veteran(s), minor modification of equipment to the special limitation of the Veteran(s), and significant loss of productivity of the employer cause by using the Veteran(s) as opposed to a nondisabled employee. The contract number is VA317-14-C-0001.
3. The Special Employer Incentive (SEI) Program provides Veterans who face extraordinary obstacles to obtaining employment with additional assistance in finding employment in the private sector. Some Veterans may not be able to locate suitable employment or On-The-Job Training (OJT) opportunities in their local commuting areas; other Veteran may face additional challenges due to their disabilities. The goal of the program is to place Veterans who are generally qualified for employment but may lack some specific training or work experience.
4. The advantage to private-sector employers is that Vocational Rehabilitation & Employment (VR&E) Services will reimburse a portion of the expenses incurred as a result of either providing direct employment or OJT opportunities to Veterans. VR&E staff will not make payments to government employers, including federal, state, or local agencies, as part of this initiative.

5. This contract will be awarded on a sole source basis per FAR 6.302-5 -- Authorized or Required by Statute. The contract will be firm fixed price. The Veteran(s) will have a period of performance of six months. The Government's estimated cost of the procurement is not to exceed \$172,691.64.

6. This Justification and Approval for Other Than Full and Open Competition will be made publicly available with 14 days after contract award at FedBizOpps.Gov as per FAR 6.305 (Availability of the Justification).

7. Requirements Certification -- "I certify that the requirement outlined in this justification is a Bona Fide Need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and completed to the best of my knowledge and belief".
